TEFE A+ OBJECTIVES

1. Implement the TEFE Framework within the consortium's TEFL/TESOL study programmes
2. Make ITP exchanges fully functioning and sustainable components of teacher education, directly supporting the employability of English teacher graduates
3. Analyse and evaluate data collected during the TEFE A+ ITP programme and disseminate these together with the TEFE Framework to other educational partners, teacher associations and educational boards, government, and policy departments.

IST03 OBJECTIVES: Running TEFE ITP Strategically and Effectively

1. To overview the progress TEFE Consortium partners have achieved so far regarding the project.
2. To experience local schools and observe lessons by Faculty of Arts (ELTE) mentor teachers, as well as integrate their experience into TEFE A+
3. To present each partner's progress in achieving their targets in general and the project (Work Packages 1-5) targets, respectively
4. To understand the effective implementation of the TEFE A+ framework
5. To plan a feasible timeline for the financial closure of the project regarding concrete steps for each Work Package & members of the Consortium
